**The mission of Mothers
Against Drunk Driving (MADD)
is to stop drunk driving,
support the victims of this
violent crime and prevent
underage drinking.**

One Person Can Make A Difference.

MADD National President Wendy Hamilton and nearly 600 other activists on the steps of the Capital commemorating MADD's 20th Anniversary in 2000 at a press conference calling on Congress to lower the legal Blood Alcohol Concentration (BAC) limit to .08.

WHY ARE WE MADD?

Three out of ten Americans will be involved in an alcohol-related crash at some time in their lives. We must act now to stop this senseless crime.

WHO ARE WE?

A 501(c)(3) nonprofit, grassroots organization with approximately 600 chapters nationwide, MADD is more than just angry mothers. We are mothers, fathers, brothers, sisters, victims, concerned citizens and students from different walks of life. We are individuals who care about keeping loved ones safe.

MADD's goals are to:

- * heighten public awareness about the dangers of impaired driving and underage drinking*
- * support victims of drunk driving crashes and*
- * strengthen existing laws and adopt new ones to keep our roadways safe.*

*If you share these goals, please assist us in **MAKING A DIFFERENCE!***

MADD...We're Not Just Mothers.

Unfortunately, our fight is not over. Every year, more than 17,000 people die in alcohol related traffic deaths and more than half a million are injured. Underage drinking remains the nations number one youth drug problem. Many still do not understand the serious dangers and consequences of drunk driving. I hope you join us in our efforts to keep the roadways safe.
